**WHAT HAPPENED**

|                                      |                                                                                                                                              |
|--------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Summary of incident                  | Installing telephone conduit for bolt on Menk sliver pot hold found 3 wires thought it was the power turns out it wasn't it was farther back |
| Are we at fault?                     | Yes                                                                                                                                          |
| Why?                                 | Marks were close talked with Ory said we're not paying for it since we put the conduit in talk with him                                      |
| Utility said we are NOT responsible? | No                                                                                                                                           |
